- This November 2, 2020 award of service-based Restricted Stock Units vests in twelve equal quarterly increments beginning February 1, 2021.
- If the reporting person continues to provide services to the Company through the vest date, the corresponding number of shares of Common Stock of F5, Inc. will be issued to the reporting person on the vest date.

If the performance targets are achieved at 100%, the reporting person can receive 14,594 Performance RSUs over the vesting period; the actual number of Performance RSUs received may be more or less

depending on whether and to the extent that performance is greater than or less than targets and may be less if the reporting person does not remain employed during the vesting period. Performance RSUs are not reported in Table II; the underlying shares of Performance RSUs will be reported in Table I if and when the Talent and Compensation Committee of the Board of Directors determines that the performance targets have been achieved.

(8) This November 1, 2023 award of service-based Restricted Stock Units vests in twelve equal quarterly increments beginning February 1, 2024.
