

F5 Opens New Bellevue Office to Support R&D for Cloud, Virtualization, and Web Services

Sep 11, 2013 7:00 AM

Company plans to aggressively hire engineering talent across Puget Sound locations

SEATTLE--(BUSINESS WIRE)-- F5 Networks, Inc. (NASDAQ:FFIV) today announced the opening of its new Bellevue, Wash., location with positions available immediately for up to 50 software engineers. Employees at the new office will support the company's growing slate of cloud, virtualization, and web services technologies.

"F5 is joining a thriving group of technology powerhouses in the region's Eastside corridor," said Karl Triebes, EVP of Product Development and CTO at F5. "This location will grow our ranks of talented engineers and further strengthen F5's position in Washington's competitive talent market."

Prospective employees can learn more about F5 career opportunities and company benefits at www.f5.com/about/careers/us-openings.

F5 Facts

- Since the beginning of 2012, F5 has added over 600 employees, representing more than a 23 percent increase to its global employee base.
